Determination of Procurement Method for Concession No. ADV-2026-01

The best interests of the Authority are served by awarding this new concession by:

- Bid
- Request for Proposal
 - The Evaluation Committee may include non-Authority employees

The Board specifically determines that the best interests of the Authority are served by awarding CPA Concession No. ADV-2026-01 via one request for proposal. CPA Concession No. ADV-2026-01 is for the right to provide advertising services and advertising displays at the Francisco C. Ada/Saipan International Airport. See CPA Concession No. ADV-2026-01 (Determination of Scope of Concession). The best interests of the Authority are served by awarding the concession via a Request for Proposals because in awarding this concession, CPA intends to consider factors beyond price, including but not limited to the proposer's experience in airport advertising, quality and variety of proposed advertising media, technological capabilities, maintenance plan and overall enhancement of the airport environment. A proposal submitted under this single RFP shall be considered a proposal for CPA Concession No. ADV-2026-01 and proposers shall be limited to one proposal submission. Award of this concession will utilize a single ranking of proposals generated from the RFP per NMIAC § 40-70-205(g)(3). Upon approval, this notice will be posted at the CPA Offices at Francisco C. Ada/Saipan International Airport.
