PRESS RELEASE

Statement by Executive Director Christopher S. Tenorio on his resignation

“This is to confirm that I have submitted my resignation to be effective May 01, 2023. However, for the sake of continuity, the Board asked me to stay back for now until we address all of our single audit compliance issues. Additionally, they asked that I work on critical projects so that when I leave, there will be continuity with the next director. So, with that being said, they have amended my effective resignation date to August 2023.”
